

Fan-n-Pick Structure (great for reinforcement)

(Teacher prepares a stack of problems/questions—I use questions from old worksheets)

Student #1 holds question cards in a fan and tells teammates to “pick a card- any card”

Student #2 picks a card, reads the question aloud, and allows think time

Student #3 answers the question

Student #4 writes down the answer on the group’s paper/praises/coaches the answer

(Go around the circle so that each student has done each role a few times.)
